## IN NORTH TOPEKA

Oakley's Grocery Store Was Burglarized Last Night.

Stockholders of Shawnee State Bank Hold Annual Meeting.

The street light on the corner of Kansas and Central avenue is a good light when it is lighted. But residents in the neighborhood complain that it offers light only intermittently during the night.

Shortly after 10 o'clock last night the light went out. This morning when C. E. Oakley, who runs a grocery store on the northeast corner of Kansas and Central avenue, came to the store he discovered that some one or more—under cover of darkness—had entered his place of business and taken from the shelves a large quantity of cigars and tobacco and several nickels and dimes that had been left in the cash drawer.

Entrance to the building was effected through a window on the south side that the invading party broke. The exit was made by way of a back door that had been securely locked and barred.

Besides breaking open the cash drawer and sadly depleting the stock, the visitors ransacked a desk in the rear end of the store.

The invasion last night is not the first that has been made on the store. It is the first time since Oakley has had possession of the place. Visitors called late in the night during the progress of the burglary and during the reign of J. B. Cain.

The invaders, it appears, are not without a sense of humor. Evidence tends to show that on no occasion have they tampered with portions of the stock that could not supply their immediate wants. A pipeful of tobacco and a bit of spending money would suffice.

On the second night of the first visit—on Sunday night—while Billings had the store a light in the place interfered with the job on hand. So a member of the gang called on Mr. Billings at his home, advised him that the police department was calling and that they could not permit him to have his store lighted on a Sunday evening.

Mr. Billings went to the place and put out the light. Next morning he missed his cash drawer and a considerable portion of the smoking supply stock.

Installation of Officers. Dr. Charles Eberly, recently elected chairman of the board of directors of the Shawnee State bank, held his annual meeting at the bank. Annual reports will be made and business that has been transacted over from last year will be wound up.

It was considered unlikely this morning that any changes would be made in the board of directors. Members of the board are Thomas Eberly, president; D. J. Hathaway, vice president; David H. Eberly, secretary; E. E. Eberly, cashier; J. B. Eberly, Charles Curtis, J. H. Skinner, N. E. Copeland, S. C. Burroughs, F. M. Bonebrake, J. C. Dolman.

Notes and Personal. C. E. Marble, of 1300 North West, is suffering from a serious attack of pneumonia. He is a well known North Topeka expressman. On account of his advanced age, it is believed his condition is precarious.

Mrs. Carl Robinson, who was confined to her home, 120 East Laurel street, yesterday on account of a cold, is able to return to the Austin-Snyder store, where she is a member of the sales force.

Mr. and Mrs. H. E. Brownell have returned to Shawnee, Okla., after spending the holidays in North Topeka with relatives. Both Mr. and Mrs. Brownell are residents of the North Side and considerable time was spent with them.

The post card found in each pound can of Rumford Baking Powder will admit you free to the Midwinter—Adv.

The Women's Missionary society of the Central Avenue Christian church will meet at 2 o'clock this afternoon at the home of Mrs. William Whitehead, of 1414 North Quincy street.

Tracy Doane, of 1228 North Quincy street, has returned to his home after spending the holidays with his mother in Kansas City, Mo.

A. M. Petro, Druggist—Adv. Mrs. Claude Petro, of 1228 North Quincy street, is confined to her home on account of an attack of the grip. Her condition is not serious.

Charles Ayers, of 1228 North Quincy street, is confined to his home on account of a serious attack of the grip. Because several members of the cast are too ill to appear the Christmas play which a number of students from the Rochester school were to present at the Boys' Institute has been postponed. Another date on which the play will be presented will be set later. The play was presented at the Rochester school December 22.

AT THE THEATERS

Uncle Tom Tonight.

An event looked forward to with more than ordinary interest theatrically is the coming of Wm. H. Kibbie's world greatest revival of Harriet Beecher Stowe's lovable story of "Uncle Tom's Cabin." Kibbie's reputation as a promoter of big productions is well known by theatergoers, but few are aware that the coming event is one of the most gigantic and elaborate that has ever been attempted in America. Not only does Mr. Kibbie promise to bring a company of over fifty people, but a carload of scenery, ponies, horses and bloodhounds, in the piece, "Uncle Tom's Cabin," will hold the boards at the Grand today, matinee and night.
